## TERMS OF SALE

The following terms are an integral part of this Sale and bids can only be accepted on these terms.

**BIDS.** All bids to be in writing and must be received before 6:00 p.m. of the day of Sale. All bids to be so much per lot as listed, in multiples of 5c below the dollar and 10c above the dollar. All bids to be entered as received and held in confidence. The highest bidder to be the buyer. Unlimited bids not accepted. Your bids will be considered a binding contract to purchase such lots in keeping with the terms herewith.

**GUARANTEE.** All lots are guaranteed genuine unless otherwise stated. However all claims must be reported within thirty days of the Sale. All lots have been carefully described in keeping with the definitions herewith. Any claims for error must be made within five days of receipt. Return of wholesale lots containing more than ten pieces because of actual or fancied deficiency in grading, involving not more than 10% of the quantity, will not be permitted. It is impractical to examine each and every coin in wholesale lots with the same care devoted to retail lots. Collectors having an opportunity to examine the lots before the Sale should not have cause for returns of any kind.

**PAYMENT.** Bidders unknown to me are asked to furnish bank references or enclose 25% deposit with their bids. References should be received one week before the Sale to permit investigation. Regular clients are asked to remit promptly upon receipt of the merchandise so that owners may be paid promptly. Postage and insurance to be paid by the buyer. If it is your desire to limit your purchases at this sale to a specific sum, please mark your bid sheet "Limit my bids to \$——." and list your bids in your order of preference.

### DESCRIPTIONS DEFINED

**Uncirculated. (Unc.)** A coin never in circulation.

**Proof. (Pf.)** A specially struck coin for collectors. Carefully prepared its brilliant field and dull relief (a few issues are excepted) coupled with careful handling from the moment it leaves the die makes them the apex of numismatic splendor.

**Brilliant. (Br.)** Coins are not described as brilliant unless they have the full original mint lustre. These may be slightly oxidized (tarnished) which in most cases adds to the beauty of the piece. Excessive oxidization is noted by such adjectives as 'red,' 'dull red,' 'purple,' 'gold,' 'olive,' etc.

**EXTREMELY FINE (E. F.)** Perfectly sharp and high relief.

**VERY FINE (V. F.)** All small details are sharp and clear.

**FINE (F.)** All small details are legible but not sharp.

**VERY GOOD (V. G.)** Some of the small details and letters worn off.

**GOOD (G.)** All large features and letters are legible.

**FAIR (Fr.)** some of the large features and letters are worn off.

Any noticable defect or flaw that detracts from the appearance of the piece, **CONSIDERING ITS GRADING**, is noted.

Lots may be examined at my Numismatic Store daily, Monday to Saturdays inclusive 9:30 a.m. to 6:30 p.m.

Sizes of medals, etc. are given in 16ths of an inch. Size 32—2 inches.
